With the major caveat of far from complete records for earlier eras, the only other 'official' County century for Sussex I can find on cricketarchive is Jan Southgate's 104* v Surrey at Natwest Sports Ground, Norbury on 17/07/1983 in the Women's Area Championship.

Southgate also made 102* v Middlesex in a one-day single innings game at Northolt on 26/06/1983 and Sue Donaldson made 107* v Middlesex 2nd XI in a one-day single innings game at Brunel University on 20/06/1993.
